

## Dry Display Cases

Schafer Solutions' Dry Display Cases offer both functionality, visibility & convenience for your goods. Make a statement in retail with the Schafer Solutions cases. These cases are prepared to handle your freshly prepared food options like sandwiches, pastries, donuts, cupcakes, muffins, cookies, etc.

The Schafer Solutions' Dry Display Case allows you to easily rotate your food as employees load food from the back and customers can grab what they desire from the front.

Eye-catching: top is fabricated from brilliantly clear acrylic and the base is made of high quality wood for a sleek and elegant look

### Dry Display Cases

- Customizable to fit your exact space and other requirements
- Doors are hinged for easy self service
- Trays are easy to clean or replace
- Wood base has durable casters for easy portability
- Compartments for tongs, waxed paper, trash, etc.

When you chose Schafer Solutions' Dry Display Cases, you're getting a case unlike anything in the market. Put yourself ahead of the competition as you grab your customer's attention with these very attractive cases.
