

## Acrylic Gun Display

Schafer Solutions Acrylic Gun Displays provide you the unique opportunity to display more product than ever, without buying expensive new cases. Your gun displays will stand out like never before with our beautifully clear acrylic pieces. Full or compact, old or new, our gun displays are perfect for helping your guns stand out.

Every gun is unique so our gun displays are designed to accommodate more types of guns than you can imagine. They are also offered in different widths to accommodate 4 ft. and 5 ft. wide display cases.

### Acrylic Gun Displays

- Many options available to fit your exact space and other requirements
- Beautifully clear acrylic does not take away from the look of the guns on display
- Sizes available for full or compact guns
- Varying widths match up for different sized gun cases
